CLOTHING DRIVE

"Kiducation"™

We turn used clothing into new kids through education.

The idea of the **Clothing Drive** is simple...

Students, staff, parents, and the community work together to donate unwanted used clothing and shoes that are then weighed and exchanged for cash. **Community Crusade for Children, Inc.** funds are generated by people in the community that donate adult and children's clothing and shoes. A portion generated from the sales is returned to participating towns and other local organizations through generous donations. "Kiducation" has donated good quality used clothing and shoes to the needy in Connecticut, Rhode Island and Massachusetts valued at over \$8,000,000.00. Used clothing and shoes are also sold on the international market. **Community Crusade for Children Inc.** funds itself through these sales as well as generates funds for its grants through the Kiducation Fund. They are self-sufficient and receive no outside funding or grants. They also donate the clothing to homeless shelters and clothing banks.

It's a great way for schools to raise money for what's important. Plus, it feels good to be green. It makes a real impact by reducing the amount of textile waste in our landfills.

Please give good quality clean clothes, belts, handbags and shoes (please tie shoes together)

The more we collect, the more we raise
